We've seen a lot of 30 day alterhuman challenges around, which is awesome! I wanted to make my own, specifically to cater to alterhumans with connections to Pokemon! Feel free to change questions a little to suit your identity better, or other such stuff. The point of this isn't to strictly adhere to the challenge, it's moreso to get more works by pokemon fictionfolk out there!

Pokemon 'kin symbol [here](#) (used in absence of a Pokemon alterhuman symbol).

1. Write about your Pokemon identity! What is it? How did you discover it?
2. Make a playlist!
3. Write about your favourite things about the Pokemon world!
4. Make a moodboard!
5. What do you do to feel species/alterhuman related euphoria? Write about it!
6. If you had to be a Pokemon that isn't your current identity, which would you pick and why?
7. Write a short poem or story about your Pokemon identity!
8. What's your favourite Pokemon card? Talk about it!
9. Write about any struggles that come with your identity. Dysphoria, instincts, etc!
10. Make some icons, userboxes or edits related to your identity!
11. If you're a Pokemon, write about what you thought of humans. If you're a human, write about what you thought of Pokemon. What were your connections to each other like?
12. Design gear, clothing or accessories of any kind you could wear to represent your identity!
13. Do you have any memories/noemata? Do you want any? Write about it!
14. What's your favourite Pokemon media and why? Does it have a special connection to your identity? What do you love about it?

15. Is there anything you dislike about the Pokemon world? Why? Write about it!
16. Make a silly, low effort drawing of your identity.
17. What do you associate your Pokemon identity with, outside of Pokemon itself? Aesthetics, colours, concepts, food, something else? Write about it!
18. Make a stimboard!
19. Do you have a favourite Pokemon? Does this relate to your identity? Write about it!
20. Do you own any merch or other items related to your identity? Share them!
21. Do you have a favourite Pokemon trainer or human from the Pokemon world? Does this relate to your identity? Write about it!
22. Make a meme or two relating to your identity!
23. If you could change anything about the Pokemon canon, what would it be? Write about how it would look and why you'd change it.
24. Share 5 fun facts about your identity!
25. What would you like to see more of in the canon Pokemon world? Write about it!
26. Make some GIFs related to your identity!
27. What do you want to see more of in the Pokemon alterhuman community? Write about it!
28. Make some web badges, post dividers or similar graphics related to your identity!
29. If you were to send a message to other Pokemon alterhumans, what would you want to say?
30. Free space! Share anything you'd like to about your identity!

You're encouraged to use "#pokefolk challenge" when sharing your posts, so we can all see them together in one place!
