# Fronting Car

Fronting Car

I was looking at those "draw the squad" images and came across one of a bunch of guys in a car. So me, a member of a plural system, was like "hold on, that's like the car analogy people use to explain systems", so I got a list of the main fronters from the past 100 days and drew this based on the top 5.

- Red: Merlin
- Orange: Shrapnel
- Yellow: Mystery
- Green: Vince (Possessed!Hunter form)
- Blue: Fin (Sebastian Solace form)

We absolutely would not fit into a car, is something I've learned from this. But hey, we live life together and we love it, so we wouldn't have it any other way.
