

Systember 5: Love

Systember Day 5: Love!

Me (Mal, left) and one of my in-system partners, Vic. I would've drawn the rest of the polycule but that's a whole lot of effort and we got to this late, haha. Vic is the first guy I got with in-system, we've been through a lot together, and what we have together is so important to me. I don't know where I'd be without him or the rest of my partners--in-system love is so important to me <3
